

“... He has put eternity into man’s heart ...”

Ecclesiastes 3:11

Shawn Hunting was a traditional Southern Baptist believer, firmly entrenched with a rationalistic faith. He believed miracles no longer happened in our world and God communicated only intellectually through the Bible.

His life and ways of thinking were radically altered when God directly spoke to him to save the life of his wife and daughter.

Over the next few years, Shawn was transformed as he received the baptism of the Holy Spirit and learned God has a Kingdom where his followers are more than just servants.

Through Biblical exposition, Shawn teaches that God’s plan for each person is salvation and adoption into His family. Adoption into the family of God is more than a title or figurative language.

The authority, power, and inheritance of being a joint heir with Christ are practical, real, and for today. Baptical is one man’s journey to inherit the Kingdom of Heaven.
